

## All-in-One Home Office Printer

Are you running a business from home or just printing a lot of documents from your home study? Then the MB2760 is the multifunction printer for you. Packed with great office features that connect you to your digital workspace – you'll never be more equipped to conquer any work task. Speed is what OFFICE MAXIFY is renowned for and the Canon OFFICE MAXIFY MB2760 delivers on this – getting through 24 pages per minute<sup>1</sup>. And for those of you really in a hurry, it can produce the first black and white page out in approx. 6 seconds<sup>1</sup>. All the while, delivering an average cost per page of 3.6 cents per page<sup>10</sup> on black and white prints.

### KEY FEATURES AT A GLANCE:

#### FAST – because you don't have time to waste

- \* Be impressed with just how fast you can print with 24 ipm for black and white and 15.5 ipm prints for colour<sup>1</sup> in A4.
- \* Hit print and get your page out in approximately 6 seconds for black and white, and 7 seconds for colour<sup>1</sup>.
- \* Scan speeds using the ADF (automatic document feeder) are super fast producing 18.5 ipm in black and white and 15.5 ipm in colour<sup>4</sup>.
- \* Be even more impressed with the copying speeds through the ADF copying 22 ipm in black and white and 11.5 ipm in colour<sup>2</sup>.

#### QUALITY – because why should you compromise

- \* Get a maximum print resolution of 600x 1200<sup>1</sup> dpi – so your documents can be crisp and clear when showing off your great work.
- \* Show off your colours – 4 single ink tanks are used to get the best quality to represent your work in the best light.
- \* Pigment inks are used to demonstrate high quality prints. Our MAXIFY inks are water resistant, so you can highlight over your work straight out of the printer.
- \* We know you want to get started straight out of the box, that's why we have included a set of standard ink tanks.

#### CONNECTED – because how you work is evolving

- \* Great wired options including Hi-Speed USB 2.0, Ethernet 10/100MPS (auto switchable) and USB flash Memory port (A Type) – this will help you get the fastest speeds possible.
- \* Easy wireless options including WIFI, Wireless LAN and Access Point Mode – frees your printer from your workspace.
- \* Connect from your smart device using the Canon Print Inkjet/ SELPHY app and get your documents off your smart phone and printed.
- \* Other great connection options include MAXIFY Cloud link, Microsoft Mobile Print, Apple Air Print and Google Cloud Print.

#### EFFICIENT – because keeping costs down is important

- \* Our XL ink tanks with this model can deliver 1,200 black pages and up to 900 colour pages on average.
- \* Using our genuine XL inks and paying at RRP will mean your cost per page is approximately 3.6 cents per page<sup>10</sup>, for black and white prints.
- \* The ability to print conveniently and easily in duplex means, you can cut down on paper costs.
- \* A simple auto on and off feature will ensure that your printer is not constantly switched on and using power, which adds to our EPEAT and Energy Star Compliance.

#### ADDED FEATURES – ready for business

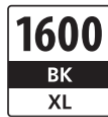

- \* **NEW** Easy ID Scan – scan both sides of your ID and print on one page.
- \* 3.0 inch touch screen display
- \* For those of you who still need it – Fax is available.
- \* Added security settings allowing you to protect confidentiality and restrict use to specific users.

- \* Two high capacity paper trays, holding 250 pages each.
- \* Set up administrator access and pre-set your administrator to receive status or error email notifications such as things as low ink or out of paper.
- \* Duty cycle of up to 20,000 pages/ month.
- \* Handles various paper types including label paper, plain paper, envelopes and photo paper.

## WHAT INKS CAN I USE WITH MY PRINTER?

Now with new hybrid inks, giving you brighter images with deeper blacks and more vivid reds. Choose high capacity inks to reduce your printing costs and also reduce the number of ink changes.

## OFFICE MAXIFY MB2760 Technical Specifications

### Printer Functions

<b>Ink Droplet Size</b>	5pl (C/M/Y), 11pl (PGBK)
<b>Printing Resolution</b>	600 (horizontal) x 1200 (vertical) dpi
<b>Print Speed<sup>1</sup></b>	B&W: 24 ipm in approx. 6 seconds (FPOT), Colour: 15.5ipm in approx. 7 seconds (FPOT)
<b>Borderless Printing</b>	N/A
<b>Paper Capacity</b>	Plain paper: A4 = 250 Sheets (Cassette 1 upper), A4 = 250 sheets (Cassette 2 lower) , 4"x6" photo paper = 20 Sheets, European DL/ US Com = 10 Sheets
<b>Supported Paper Sizes</b>	A4, Letter, Legal, A5, B5, envelopes (DL, COM10), 4"x6", 5"x7", 8"x10"
<b>Supported Paper Weights</b>	Plain Paper: 64-105 g/m <sup>2</sup> , Canon specialty paper: max paper weight : approx. 275 g/m <sup>2</sup> (Photo Paper Plus Glossy II PP-201)
<b>Protocol</b>	SNMP (Standard MIB), TCP/IP
<b>Frequency Band / Channel<sup>7</sup></b>	2.4GHz / 1-13
<b>Wireless LAN Range</b>	indoor 50m (depends on the transmission speed and conditions)
<b>Wireless LAN Security</b>	WEP64/128bit, WPA-PSK(TKIP/AES), WPA2-PSK(TKIP/AES)
<b>Wired LAN</b>	IEEE802.3u (10BASE-TX)/ IEEE802.3 (10BASE-T)
<b>Wireless LAN Network Type</b>	IEEE802.11n/IEEE802.11g/IEEE802.11b
<b>Mobile Phone/Tablet Printing</b>	Available
<b>Memory Card Printing</b>	N/A
<b>PC Interface</b>	Available

### Copier Functions

<b>Speed<sup>2</sup></b>	ADF ESAT A4/ LTR B&W Simplex Approx. 22 ipm ADF ESAT A4/ LTR Colour Simplex Approx. 11.5ipm
<b>Multiple Copy</b>	Max. 99 pages

### Scanner Functions

<b>Scanner Type</b>	Flatbed and ADF <sup>8</sup>
<b>Scanning resolution<sup>3</sup></b>	1200 x 1200 dpi
<b>Scanning Bit Depth (Input/ Output)</b>	Grayscale; 16bit/8bit / Colour: 48bit/24bit (RGB each 16bit/8bit)

### Fax Functions

<b>Fax Resolutions<sup>5</sup></b>	Black: 8pels/mm x 3.85lines/mm (Standard), 8pels/mm x 7.7lines/mm(Fine), 300dpi x 300dpi (Extra Fine), Colour: 200dpi×200dpi
<b>Transmission Speed</b>	Black: Approx. 3 seconds (33.6kbps), Colour: Approx. 1 minute (33.6kbps)
<b>Modem Speed</b>	Maximum 33.6kbps (Automatic fall back)
<b>Transmission/ Reception Memory<sup>6</sup></b>	Approx. 250 pages

### PC Fax

<b>Type</b>	Windows: Available, Mac: Available
<b>Destination Number</b>	1 location
<b>Black/ Colour</b>	B/W Transmission only

### MAXIFY Cloud Link

<b>Smartphone or tablet</b>	Available
<b>From printer</b>	Available
<b>Print from Email</b>	Available
<b>Google Cloud Print</b>	Available
<b>Apple Air Print</b>	Available
<b>MAXIFY Printing Solutions</b>	Available
<b>Cloud Apps</b>	Facebook, Twitter, Flickr, Canon Image Gateway, Picasa, Photobucket, Evernote, Dropbox, Google Drive and One Drive, Concur

### General Features<sup>9</sup>

<b>Colour LCD Screen</b>	LCD (3.0 inch / 7.5 cm TFT colour/Touch)
<b>Intelligent Touch System</b>	Available
<b>Dual Paper Path</b>	N/A
<b>Operating System</b>	Windows Vista SP2, Windows 7, Windows 7 SP1, Windows 8, Windows 8.1, Windows 10.0, Mac OS X 10.7.5 or later, Windows 10.0, Mac OS El X Capitan 10.11
<b>Power Source</b>	AC100 - 240V, 50/60Hz
<b>Power Consumption</b>	Standby (scanning lamp is off) USB connection to PC: approx. 0.9W, OFF: Approx. 0.2W, Copying (USB connection to PC) approx. 26W
<b>Dimensions (W x D x H)</b>	Approx. 463 x 389 x 320 mm
<b>Weight</b>	Approx. 12.1kg

### Disclaimers:

1. Document print speeds are the averages of ESAT in Office Category Test for the default simplex mode, ISO/IEC 24734. Print speed may vary depending on system configuration, interface, software, document complexity, print mode, page coverage, type of paper used etc. 2. Copy speeds are the average of sFCOT and eSAT, ISO/IEC 29183. Copy speed may vary depending on document complexity, copy mode, page coverage, type of paper used etc. and does not take into account warming up time. 3. Optical resolution is a measure of maximum hardware sampling resolution, based on ISO 14473 standard. 4. Colour document scan speed is measured with ISO/IEC 29183 Target A. Scan speed indicates the time measured between pressing the scan button of the scanner driver and the on-screen status display turns off. Scan speed may vary depending on system configuration, interface, software, scan mode settings and document size etc. 5. Black and white document fax transmission speed is based on default settings using Canon Colour Fax Test Sheet. Actual transmission speed may vary depending on document complexity, fax settings at receiving end and line conditions etc. 6. Page count is based on ITU-T No.1 chart or Canon FAX standard Chart No. 1. 7. 141 in US, CND, LTN, BRA, TW and HK 8. When scanning or copying a certain volume of documents continuously from the ADF, the printer may switch to "waiting mode" in which paper feeding stops for several tens of seconds after each scan, in order to prohibit overheating the paper feeding mechanism of the ADF. The timing of the "waiting mode" may vary depending on scan settings such as colour/ mono, resolution and so on. In case of the default settings (scan or copy in colour, 300dpi), the printer switches to "waiting mode" after approx. 80 sheets of paper feeding continuously or repeatedly in short period. 9. Some printer functions may not work unless full set of Canon Genuine inks are used. Some functions require an internet connection or WiFi – USB cable not included. 10. Speed and price claims made using test print ISO/IEC 24734 which represents a standard A4 print. This print is black and white and used Genuine Canon XL inks at RRP \$42.99 as at July 2016. It was produced under test conditions and speeds are approximate.
